About Global Blood Fund (GBF)

Global Blood Fund (GBF) is a non-profit supporting blood services in low and middle-income countries. In poorer communities, blood is often unsafe or simply not there for those in need, leading to hundreds of thousands of unnecessary deaths each year. We believe our industry has a collective responsibility to help tackle these global inequalities

BENEFITS OF PARTICIPATION

We will **acknowledge your support** at the level selected and together showcase your friendship to the wider blood banking community. More importantly, **you are resourcing programs that make a real difference** in global transfusion care.

WHAT BECOMING A FRIEND INVOLVES

Our work is possible only with the support of **organizations like yours**. In becoming a friend, you commit to providing an **annual donation for at least two years** at the level you select.

All donations are tax-deductable.

THANK YOU FOR YOUR SUPPORT

Please email info@globalbloodfund.org for further information or to request a donation form.
